Top 25 for the 1031 Buyer

Florida · LoopNet for-sale · $3,500,000–$8,000,000 · stated cap 8.0%+ · CLEAN listings only (trailing NOI, cap, occupancy and lease type stated and consistent) · sorted by evidence grade, then score. 19 listings in the box, 0 CLEAN, 0 SUSPECT, 19 NEEDS-OM.

No CLEAN listing yet: every in-box listing is either missing NOI/cap (NEEDS-OM, broker queued for the books) or SUSPECT. The broker contact sheet is the Monday list.

Evidence grade: A = T-12/P&L; + rent roll on file and matching the stated cap · B = OM with NOI and expenses, no trailing financials · C = cap/NOI in the listing text only · D = nothing or pro forma only. A high score with a D grade is still a D.
